Summary

A brief document to illustrate how to use LaTeX.

1. Introduction

1.1. The First Section

This is a simple LaTeX document. Here is the first paragraph. The next chapter is Chapter 2 and is on page 3. The next section is Section 1.2.

1.2. The Next Section

Here is the second paragraph[1]. As you can see it's a rather short paragraph, but not as short as the previous one. This document was created on: Monday 3rd September, 2012 at 19:01.

[1] with a footnote

2. Another Chapter

Here's another very interesting chapter. See Chapter 1 for an introduction. Our picture has turned into Figure 2.1.

Figure 2.1.: Some shapes

3. Recommended Reading

For a basic introduction to LaTeX see Lamport [2]. For more detailed information about LaTeX and associated applications, consult Kopka and Daly [3] or Goossens *et al* [1].

Acknowledgements

I would like to acknowledge all those very helpful people who have assisted me in my work.

A. Tables

We will turn this tabular environment into a table later.

	Expenditure	
	Year1	Year2
Travel	100,000	110,000
Equipment	50,000	60,000
